### 3.3 HOLDERS OF OTHER QUALIFICATIONS

Applicants who hold a qualification other than the National Senior Certificate e.g. the old Senior Certificate (before 2008); a NC (V) or a foreign qualification evaluated by SAQA should contact the SCHOOL for the calculation of their APS.

### 3.4 APPLICANTS WITH PHYSICAL DISABILITIES

A high degree of physical capability is required from students wishing to enrol into the SCHOOL's nursing programmes. For this reason the SCHOOL can unfortunately not consider applicants with any physical constraints.

Applicants who wish to apply and are in doubt in this regard are invited to discuss their situation telephonically with the Principal or can address the SCHOOL in writing.

The SCHOOL may request the production of a medical certificate relating to the applicant's condition.

The SCHOOL's decision in this regard shall be final and binding on all parties concerned.

## 4 SELECTION PROCESS

### 4.1 GENERAL

The SCHOOL, in line with its vision and mission, aims at admitting candidates to its learning programmes who best meet its admission requirements.

All candidates applying for admission to the SCHOOL's nursing learning programmes are entered into a selection process.

### 4.2 SELECTION PROCESS

- i. The SCHOOL is limited by the SOUTH AFRICAN NURSING COUNCIL in the number of students that it can admit annually to its nursing learning programmes and is also limited in the number of students per intake for a particular learning programme.
- ii. The SCHOOL determines the minimum requirements for admission to its learning programmes which are set out above and admission is offered to applicants who best meet or exceed the said minimum admission levels.
- iii. Where there is competition for places in any particular programme – that is, where the number of qualified candidates exceeds the number of available places – SELECTION WILL TAKE PLACE ON THE BASIS OF FORMER STUDENTS IN OTHER STUDIES AT THE SCHOOL BEING PREFERRED and thereafter taking the SCHOOL's policy on redress, equity and quality in education into consideration.

### 4.3 PAPER SELECTION

A PAPER SELECTION is made as a first step in the selection process during which the matric subjects and pass scores / other qualifications / HEALTH CARE ASSISTANT COURSE marks of all applicants are assessed.

### 4.4 PSYCHOMETRIC TESTING

Applicants who best meet the admission criteria as identified in the Paper Selection are thereafter invited to take a psychometric test arranged by or on behalf of the SCHOOL.

### 4.5 SELECTION INTERVIEW

- i. Interviews are next held with applicants who achieved the highest outcomes in the psychometric tests. Such interview is conducted by a SELECTION INTERVIEW PANEL of the SCHOOL who shall finally decide whether to offer admission to an applicant in respect of any learning programme.
- ii. The School then compiles a shortlist of applicants who best meet all of the foregoing criteria and admission shall then be offered to those applicants.
- iii. It shall be in the absolute discretion of the SELECTION INTERVIEW PANEL to grant or refuse admission to an applicant.
- iv. The decision of the SELECTION INTERVIEW PANEL in this regard shall be final and binding on all parties concerned including the SCHOOL (it is the prerogative of the SCHOOL whom to admit to its learning programmes as provided for in section 37 of the Higher Education Act, 1997).

### 4.6 NATIONAL BENCHMARK TESTS

Applicants are currently not required to write the National Benchmark Tests for ACADEMIC LITERACY & QUANTATIVE LITERACY (AQL), but the SCHOOL may in future introduce such requirement. Applicants will be informed in good time thereof.

### 4.7 CHANGES TO SELECTION CRITERIA

The SCHOOL is entitled to change its selection criteria at any given time.

### 4.8 WHEN INTAKES FULL

An applicant who is not selected for a particular intake of a learning programme as a result of the intake being fully subscribed may again apply for the next intake of students

for that programme, but shall be regarded as a fresh applicant.

## 5 ADMISSION PROCEDURES

### 5.1 INTAKES FOR 2027

The SCHOOL (and all other nursing education institutions) is only allowed 1 intake per year for each of its nursing qualifications in line with the accreditation stipulations of the SOUTH AFRICAN NURSING COUNCIL.

The SCHOOL is now accepting applications for the 2027 academic year.

### 5.2 CLOSING DATE FOR 2027 INTAKES

- i. The closing date for applications for the 2027 intakes of the HIGHER CERTIFICATE IN NURSING and the DIPLOMA IN NURSING is **30 JUNE 2026** whereafter the SCHOOL shall commence with the selection process of applicants as set out above.
- ii. Applicants selected to be interviewed by the SELECTION INTERVIEW PANEL shall be advised in good time of the date and venue for the conduct of interviews.

- i. If a student cancels his/her application before the programme commencement date (beginning of lectures), all fees with exception of the APPLICATION FEE of R1500-00 and excepting the charges set out below, will be refunded.
- ii. If a student withdraws from a programme after the commencement date, the student shall be liable for the full programme fee unless the SCHOOL shall in its absolute discretion on compassionate grounds decide otherwise. The determination of the amount of the refund shall also be in the discretion of the SCHOOL.
- iii. Bank charges and administration charges will be deducted from all refunds.
- iv. If a student is expelled from UKWAZI SCHOOL OF NURSING after programme commencement, there shall be no refund of tuition fees.
- v. Applications for refunds must be in writing, addressed to the Principal. Any refunds payable will be made within 2 weeks of receiving the written refund application.

### 7.5 STUDENT FINANCIAL AID

Students are to finance their studies at UKWAZI SCHOOL OF NURSING from own resources as there is currently no financial assistance available to students. The SCHOOL is not subsidised by Government and NSFAS is not available as the School is a private college.

## 8 INCLUDED IN TUITION FEES

THE FOLLOWING ITEMS ARE INCLUDED IN TUITION FEES:

### INDEMNITY

The School arranges personal indemnity cover on behalf of students in respect of periods of training in clinical facilities (e.g. hospitals; clinics; old age homes; etc).

### TUNIC TOPS

Two (2) tunic tops in the 1<sup>st</sup> year of study (embroidered with the School's logo) are to be worn whilst undergoing practical training in clinical facilities. Students will pay for any additional tunic tops e.g. iro 2<sup>nd</sup> and 3<sup>rd</sup> year of studies.

### IDENTITY TAGS

Each student will receive an identity tag with the student's name and must be worn on campus and during practical training pinned to the tunic top.

### COMPUTER TRAINING

All students may be required to undergo a compulsory 12 week computer training programme at the School. The costs hereof are included in TUITION FEES.

### REGISTRATION FEES

Students are registered as students with the SOUTH AFRICAN NURSING COUNCIL and the School makes payment of the prescribed registration fees on their behalf.

## 9 ADDITIONAL COSTS

STUDENTS ARE LIABLE FOR THE FOLLOWING ADDITIONAL COSTS / CHARGES WHICH ARE NOT INCLUDED IN TUITION FEES:

### 9.1 PRESCRIBED TEXTBOOKS

Students must obtain a list of text books prescribed for the particular qualification from the SCHOOL.

Text books are available from publishers / academic book stores and students are expected to acquire them prior to the commencement of lectures.

Books stores are at times present on campus on commencement of lectures for taking orders from students – please enquire beforehand from your campus of choice.

### 9.2 NURSES WATCH

Students must be in possession of a nurse's watch with per hour and per second hand indicators – a digital watch is not acceptable.

Students cannot undergo Work-Integrated learning in the clinical setting (hospitals, etc) without being in possession of such a watch.

### 9.3 ACCESSORIES TO UNIFORMS

Skirts / trousers and shoes worn with the prescribed tunic tops are for the student's account, but should comply with the School's prescribed standards (please enquire).

### 9.4 LAPTOPS / TABLETS

Students must be in possession of a laptop / tablet: students must bring these to class with them. The School places

increasing focus on incorporating online resources into its teaching and learning methodology for which a laptop / tablet is essential.

Students will have free internet access for learning purposes whilst on campus.

### 9.5 HEPATITIS "B" INJECTIONS

All students (except those excused on medical grounds confirmed by a medical certificate) must have 3 hepatitis "B" injections.

Students must make their own arrangements to be vaccinated, but are required to submit a medical certificate to the SCHOOL in evidence of having been vaccinated without which they will not be allowed to undergo any clinical training.

### 9.6 EXAMINATION FEES - SANC

All students after having successfully completed their studies at the SCHOOL must take the BOARD (ADMISSION TO PRACTICE) EXAMINATIONS set by the SOUTH AFRICAN NURSING COUNCIL.

Successful completion of the BOARD EXAMINATIONS allows students to practice in the category of nurse for which they trained at the SCHOOL viz. auxiliary nurse or generalist nurse.

EXAMINATION FEES are payable to the COUNCIL in this regard and are for the account of students (in amount then current as determined by COUNCIL). Students are required to pay these EXAMINATION FEES to the SCHOOL on demand which will pay the same to COUNCIL when entering students for these examinations.

All students will be required to attend a COMPULSORY examination block of approximately 2 weeks at the SCHOOL in preparation for the BOARD EXAMINATIONS. Students ARE LIABLE TO THE SCHOOL FOR THE COST OF SUCH EXAMINATION BLOCK in such amount as shall be determined by the School from time to time.

**KINDLY NOTE THAT THESE EXAMINATIONS HAVE CURRENTLY BEEN PUT IN ABEYANCE BY THE SOUTH AFRICAN NURSING COUNCIL AND STUDENTS ARE CURRENTLY NOT EXPECTED TO WRITE THESE EXAMINATIONS.**

## 10 CLINICAL TRAINING ITEMS

Students must be in possession of the following items which are required for clinical training:

- an aneroid sphygmomanometer (blood pressure measuring instrument) – please note that a digital baumanometer is not acceptable

- a stethoscope, and
- nursing scissors

These can be bought online or at pharmacies like Dischem, Clicks, etc – shop around as prices might differ.

## 11 WORK-INTEGRATED LEARNING

- i. Clinical (practical) training forms an integral part of both the HIGHER CERTIFICATE IN NURSING and the DIPLOMA IN NURSING. Such training takes place in accredited clinical institutions such as hospitals; primary healthcare clinics & old age homes.
- ii. The Roodepoort (Johannesburg) campus uses hospitals / institutions located in Sebokeng (Vanderbijl Park), Lenasia, Johannesburg, Roodepoort, etc. The Potchefstroom campus uses local hospitals / institutions as well as institutions in neighbouring towns (e.g. Klerksdorp, Ventersdorp, etc).
- iii. The SCHOOL decides at which of these institutions a student must do his / her clinical training. **WHILST EVERY EFFORT IS MADE TO ACCOMMODATE STUDENTS, THE DECISION OF THE SCHOOL IN THIS REGARD IS FINAL AND BINDING ON STUDENTS.**
- iv. Students must therefore make their own arrangements in respect of accommodation and transport to be able to do their clinical training at the institution(s) to which they are allocated. The SCHOOL endeavours to assist students in these arrangements as far as practicable.
- v. **THE COST OF ACCOMMODATION, TRANSPORT AND LIVING EXPENSES IN THIS REGARD IS FOR THE ACCOUNT OF THE STUDENT.**

## 12 TRANSPORT COSTS

Students should make allowance for the cost of transport to and from the SCHOOL during theoretical instruction as well as to and from the clinical facility at which they are placed for practical training (Work-Integrated Learning) – see above.

## 13 ACCOMMODATION

The SCHOOL does not offer accommodation, but prospective students can contact the SCHOOL as private accommodation is sometimes available:
